Tropical Paradise

The energy of the Seahawks increased as Homecoming day drew near. With dress up days like pink flamingo and lunch activities how could anyone not feel the spirit of O.V.

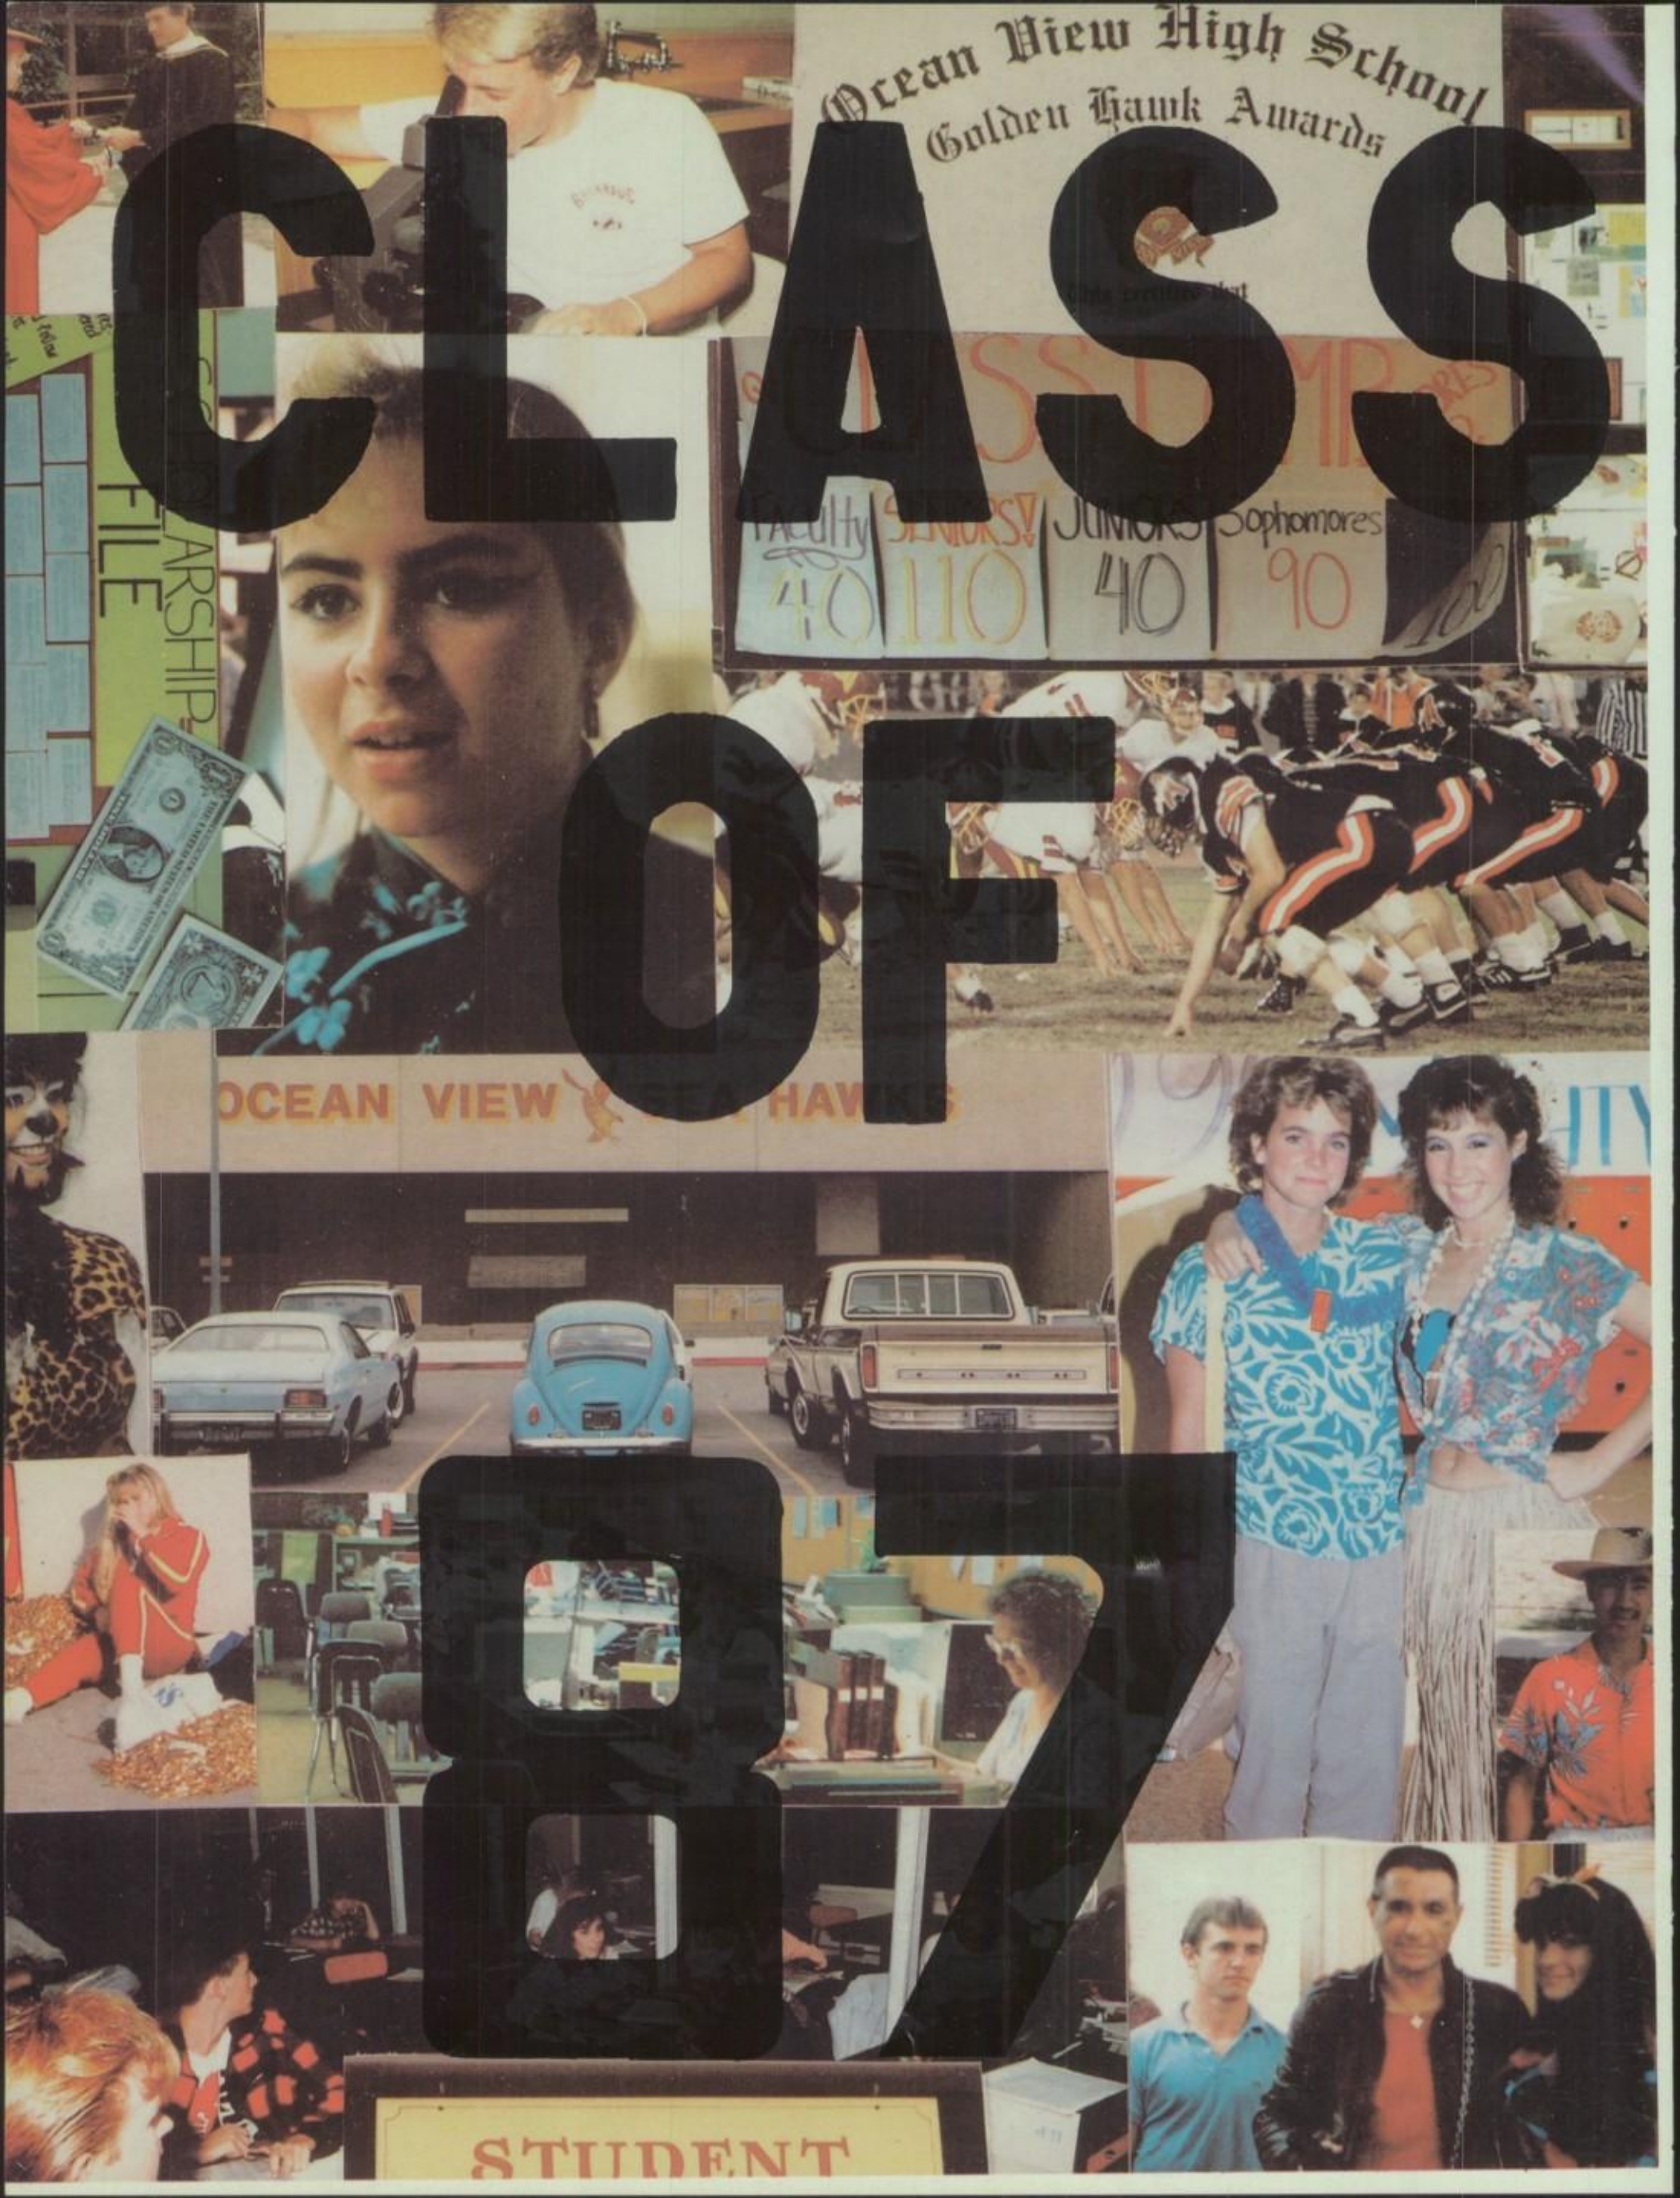

"Come to the islands" and so we all did. As the Pep Rally started the entire school was caught by the wave of excitement, for the game was tonight. Our excitement continued as we watched our Alumni-Pepsters and friends cheered our school on, Let's go Seahawks!! As half-time came upon us we all anxiously awaited the opening of the envelope. The time was now here and our reigning queen, Michele Board, crowned Akemi Royer as our 1986-87 Homecoming Queen.

Eventhough our football team wasn't victorious over the Westminster Lions, our school spirit was overwhelming.

Homecoming Court: Queen Akemi Royer, Princesses Kim Uphouse, Kelly Lester, Alisha Watson, Kim Kufus.

OV's Hilarious Comedians:

Jennie Campbell Brent Knackert

Abnoxious they are, Always around, They're OV's comedians, They are the class clowns. Hilarious they are, never shy, They'll make you laugh, 'till you start to cry. Jennie dances around, like she just doesn't care. She makes teachers scream, 'Till they pull out their hair. Brent's always in trouble, Eddie Murphy's his star. Keep telling those jokes, Some day you'll go far.

Seahawks?

Christa Lawson Kurt Szuba

Kurt and Christa are OV's Olympic hopefuls. Kurt claims he's just an average guy who likes to play football, wrestle, and run track. He gives credit to Mom and Dad who inspired him in his efforts. Christa was pleased to know that her senior class elected her most athletic. She is involved in almost every sport OV offers. Christa said, "That the woman who wins, is the woman who thinks she can." — Flo Hyman #7.

Who was always winking at you?

Crystal Kowalczyk David Reda

When it comes to flirting at OV, Crystal and David have definitely mastered the art. Both were surprised to have received such a sociable title. Who are 1987's future centerfolds?

Tausha Saling Mohammed Memon

This year, the flattering title of best body was gladly accepted by Tausha, and Mohammed. Mohammed keeps his poise by weightlifting daily, while Tausha enjoys aerobics and dance. Anyone need a bodyguard? Mohammed is certainly the best man for the job. Now, if you want to have a great body just see Tausha, she'll get you started in the right direction. Both would like to thank the student body for their recognition.

Who's the best of the best at OV?

Geoff Graves Akemi Royer

Well Akemi and Geoff are OV's Best All-Around Seahawks. We must say when something happens they are always there lending a hand. Akemi is A.S.B. President and on the Cross Country team. Geoff is our Commissioner of Boys' Athletics, on the Varsity Volleyball and Basketball teams. Where do they find the time? These two are a very active part in making OV a terrific school. But they always have time for their friends.

The 1986-87 Executive Board has gone a long way since leadership camp in Santa Barbara this past summer. This year's Executive Board consists of A.S.B. President Akemi Royer. Royer who plays the largest role on the board. She ran the meetings, oversaw all activities, and co-produced the First Variety Show with Kelly Lester. The A.S.B. Vice President, Kim Kufus, was in charge of elections, and ran the meeting when the President, wasn't present. The Senior Class President, Diana Mullins, was in charge of Homecoming, Powder Puff, graduation, and senior class meetings. Junior Class President was Noel Glass. Noel oversaw the preparations for prom and all Junior fund raisers. Both the Sophomore Class President, Walt Woodworth, and Freshman Class President, Paul Ohm, ran class meetings and organized fund raisers for their class.

The Board also consists of Commissioners. Jeanne Koch, our Commissioner of Organizations, had club days and oversaw the various fund raisers on campus. The Commissioner of Communications, is Trisha Cook; Trisha is our own daily announcer over the P.A. system and is also in charge of keeping up the marquee. The Commissioner of Education was Brandy Pickering who attended bi-monthly school board meetings and reported many proceedings that needed to be attended to. The Commissioner of Activities this year was Kelly Lester who was a major asset to all activities including dances as O.V. John Cox was this year's Commissioner of School and Community Relations; John organized the teachers secret pals, and movements to improve the school. Our Commissioner of Pep was Jennie Campbell who really got the students and players fired up. This year's Boys' Athletics Commissioner was Geoff Graves. Geoff helped with the organization of pep rallies and gave recognition to the athletes. Leann Jones was Commissioner of Girls' Athletics this year. She helped organize the pep rallies as well as giving recognition to our female athletes.

That was that theme for the 1986 Welcome Dance. This year the students conned their grass skirts, flowered shirts, and leis and joined the festivities held in our gym. There was a lot of dancing, a lot of smiles, and a whole lot of fun among new and old friends. This is our way of welcoming new students to Ocean View.

On October 18th, friends joined together in the Commons for the second annual MORP dance. Toilet paper was hung high from the ceiling as students danced and socialized in comfortable attire. Wearing less than formal clothes, sweats, shorts, and T-shirts were the most commonly seen outfits. This backwards night is one to remember and one to look forward to each year.

O.V. PROUDLY PRESENTS...

Fall was a busy semester for our winning drama students. Our Play Production class began the year by forming traveling improvisational groups that entertained classes on campus. The Produced acted and directed the successful production of Landfor Wilson's *HOT'L BALTIMORE*, which played to large houses during its three night run. Senior Jackie Apodaca directed this show, with standout performances being turned in by Mark Rosenthal as Mr. Morse, Lisa Gayton, and Lisa Gilmore as the Girl. Play Production then readied a tour for convalescent homes.

Advanced Theater was also busy, first staging two one-act plays. *Crawling Arnold* was directed by Lisa Gayton and Kelly Wilson and featured a standout performance by Chris Game. *Once Upon A Playground* was directed by Kathy Starr and Shelly Nothdorth, and featured noteworthy performances by Tom Howard, Jennifer Goldman, and Monica Lacy. Advanced Theater then went touring with a children's theater performance, which featured material by Shel Silverstein, Dr. Seuss, and traditional Christmas music.

Beginning theater got their performances ball rolling with their first round of scenes from plays such as the *The Odd Couple*, *I Ought To Be In Pictures*, and *The Jabberwock*.

ENCORE ENCORE ENCORE

WORKING

Ocean View's production of the Broadway musical, **WORKING**, was presented the evenings of March 5, 6, 7, & 12, 13, 14. It featured not only a cast of over thirty students, but also performances by two Fine Arts teachers, Mr. Waxman, and Mrs. Holz. The show, based on the book by Studs Terkel, examines the working life of people we see everyday, but always take for granted. The trucker, the steel worker, the waitress, the corporate executive, even the housewife are all given exciting musical life. The show was the first production to use the theater's new sound system, and especially recorded score was used to back-up the singers and dancers in this show. Highlight production numbers from the show included "Lovin' Al", "Fathers and Sons", "Just a Housewife" and the climatic, "Something to Point To".

At the same time, Mr. Waxman's theatre classes were in rehearsal for two other productions, **VOICE FROM THE HIGH SCHOOL**, a two act presentation that will tour the high schools in the district, and is under the student direction of Dawn Ashley, and **COMINGS AND GOINGS**, this years entry in the annual Cal State Long Beach One-Act Festival, which Ocean View won last year. **COMINGS AND GOINGS** is an improvisational type of theatre, featuring short scripted segments repeated in various characters and situations. The Theater department hopes to do well at this festival on March 24th.

BAND

This was definitely an exciting year for the Ocean View High School Band. In the fall, under the leadership of director Mr. Keys, assistant director Ms. Taylor, and drum major Medardo de la Cruz, they performed their colorful and moving field show at all home football games, as well as in three half-time competitions. At La Habra High School, the first of these competitions, they received the Sweepstakes Award, and placed quite well in the competitions that followed.

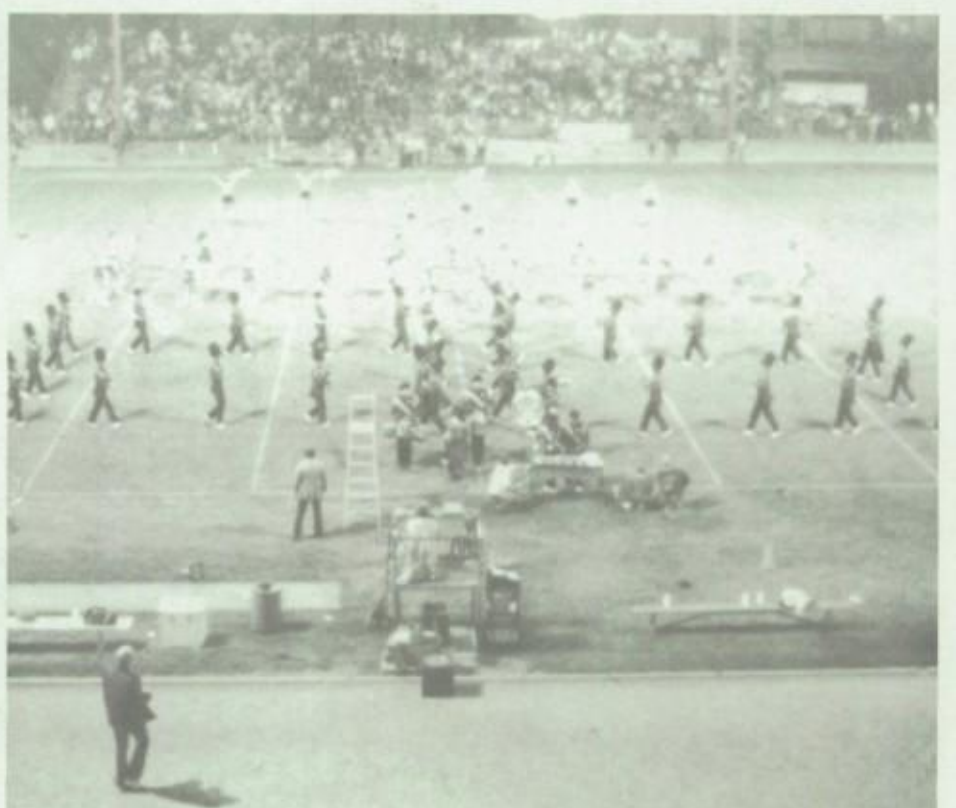

With football season over, and the holidays just around the corner, the marching band became the concert band, presenting an excellent Christmas Concert, with a variety of traditional and modern songs, in OV's theatre.

In January, the band returned to a marching "mode" and performed a short parade at Disneyland along with the Drill Team and Tall Flags. The highlight of the year took place on January 31 when the band performed for an audience of over 50,000 people in the Chinese New Years Parade in San Francisco, the second largest parade on the West Coast. The four day trip was accompanied by a visit to Muir Woods and Yosemite.

In the Spring, the concert band returned to performing in a more classical style at Solo/Ensemble Festival and the annual Spring Concert, an excellent finishing touch to a tremendous year! Congratulations, and thanks for your contribution to our school spirit this year!!!

FLAGS

1986-87 has not only been an award winning year for Ocean View's Flag Team, but a fun and exciting one as well. Under Captain Hether Lombardo, Co-captain Dina Ortman, and Advisor Laura Finley, this year's 13 member team worked hard to be the best team ever. For starters, the team showed off all their Seahawk Pride and enthusiasm by placing second at their first camp competition. They have performed all year long at football games, basketball games, pep assemblies and parades. "Your hard work has paid off girls" Congratulations and keep your Seahawk Spirit and Pride alive!

HIT THAT PERFECT BEAT

"WE'VE GOT IT"

The 1986-1987 Drill Team has "Got It." Led by advisor Jeannie Klecker, Captain — Jennie Pilow, Co-Captain — Lisa Brankov, and Head Squad Leader Kristin — Mascio, with their devotion the team was led to great success. Back during field show competition the team received the sweepstakes award and first and second place trophies.

Once again the team was invited back to Disneyland to march in a parade, and due to their great talent were also invited to march in the annual Chinese New Year Parade in San Francisco.

The team's main goals this year were to promote school spirit, entertain their school, and have fun as well. The team would like to express special thanks to Jeannie Klecker for her great devotion to the team and for putting up with us too!

SEAHAWKS PHILOSOPHY

CLASS:

All players will be expected to show class; on the field, at practice, at games, on campus, and in the community. This means showing respect and gaining respect of others.

LOYALTY:

Loyalty means defending any person or part of our program that comes under attack. Take problems or concerns to the coach because our interests are the same, a strong football program.

AGGRESSIVENESS:

Football is a contact sport and to be successful our players must be very aggressive and like to hit. However, it will always be done with proper technique and within the framework of the rules and with good sportsmanship.

WORK:

Our players must be willing to work in order to be successful. This means working in the off-season during spring football, as well as during the season. It means working in the weight room, on the field, and in the classroom. It means being willing to work on improving technique and conditioning.

These four characteristics; class, loyalty, aggressiveness, and work, make up the Seahawks CLAW philosophy. This is the "yardstick" we will use to measure our players growth and behavior. These are the things that Ocean View Football Program will teach our young men, and they will be able to use these in all aspects of life.

LET'S HEAR IT

The 1986 Varsity football team finished the year with a 2-8 record. Under first year head coach, Guy Carrozzo, the Seahawks got off to a fast start with wins over Kennedy and Santa Ana Valley. Two heart-breaking losses to St. Paul and Santa Ana left the Seahawks with a 2-3 record going into league play.

Although the team struggled through league play, they were always competitive and were exciting to watch. Kurt Szuba, Phil Bowen and Jim Davis excelled at their positions, gaining post season honors.

Of the many exciting plays of the season, two of the most memorable were Phil Bowen's back-to-back blocked punts against Fountain Valley and Vic Gutierrez picking up both of them for touchdowns which tied the game at 14-4.

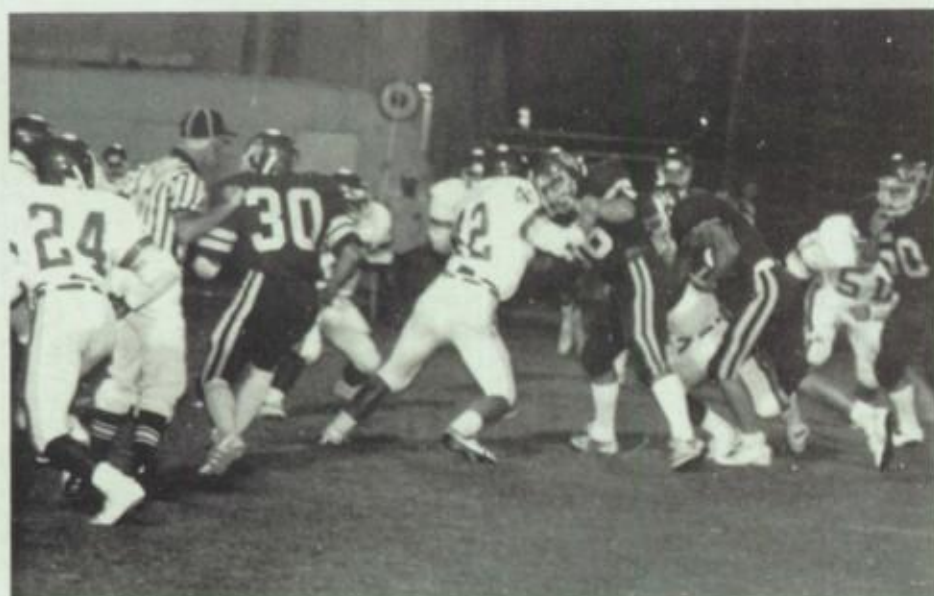

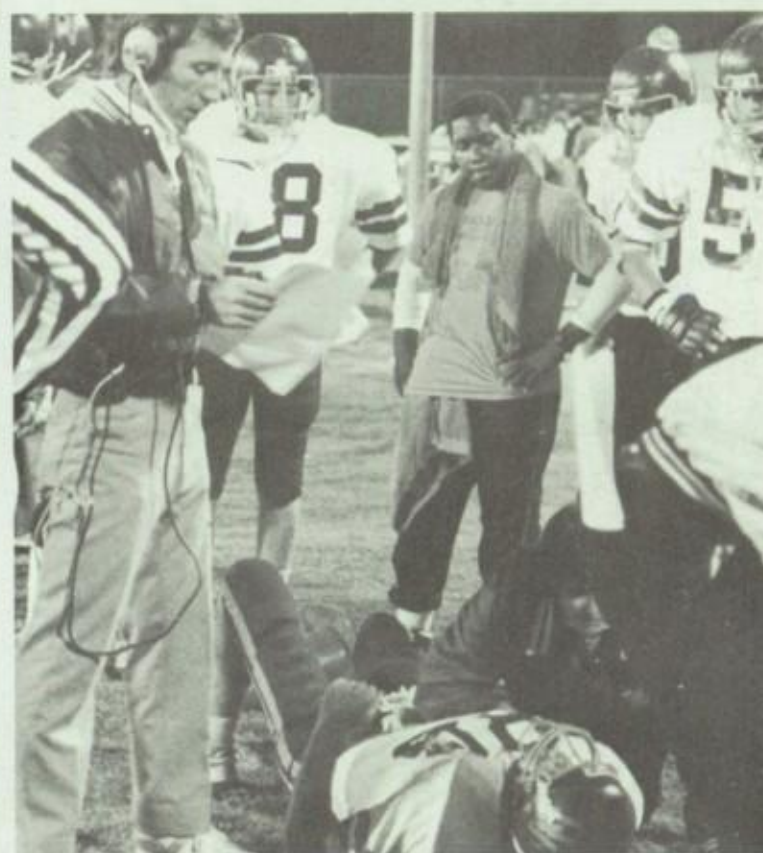

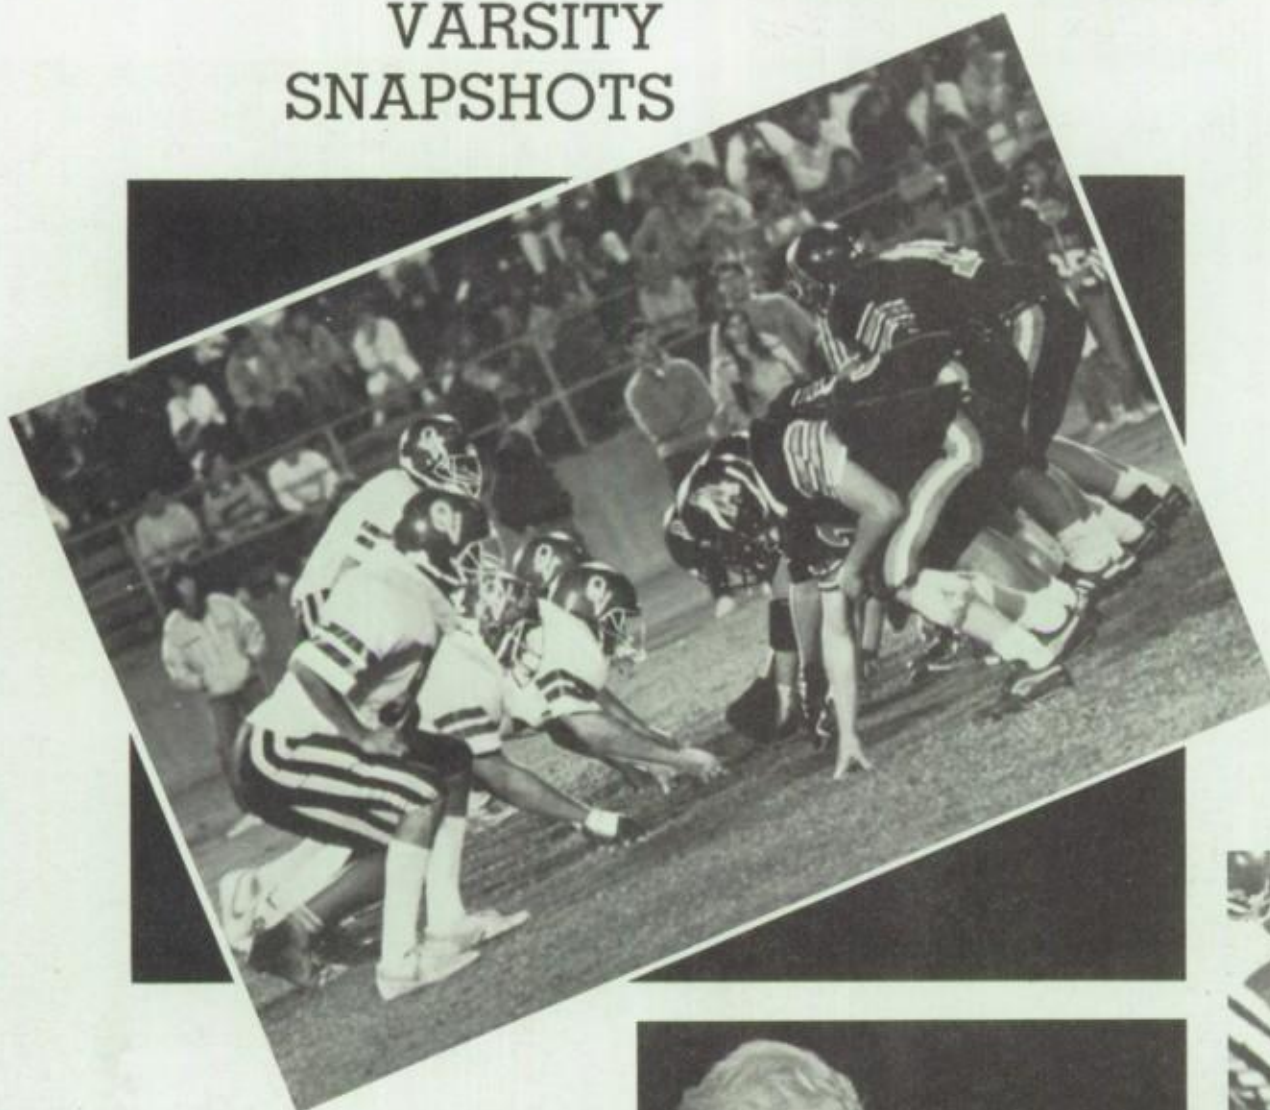

With many returning juniors and talented sophomores moving up, the 1987 Varsity team should be even better!

WATCH THEM

The 1986 Sophomore Season began with great expectations. With more than fifty Freshmen playing last year, Coaches; Brandenburg, McIntyre and Kaoon had expected to compete for the Sunset League title.

Unfortunately, only seventeen players reported for the start of practice. With these athletes, the team was able to grasp a new offense and defense in order to meet the challenge of a demanding schedule.

Lead by Most Valuable Player, Todd Norman, the Sophomores defeated Kennedy and Newport to begin their season. The team's record was not to improve, though the team was close in every game. The defense was the team's strength and was lead by Captains', Mike Budick and Todd Norman. The offense was lead by Most Improved Player, Mike McDirmid.

Although their record was not outstanding the coaches feel these players will be able to make a significant contribution to next year's Varsity.

The 1986 Ocean View Freshman football season was a most challenging and rewarding one. The highlights of the season were victories over Newport Harbor and Westminster High School. There should be much praise given to each team member for their perserverance and to dedication to the development of the team. A solid foundation was formed for the future of Seahawk football.

Ocean View Girls' Volleyball

Ocean View Girls' Volleyball is represented in the Sunset League by three teams, Varsity, J.V., and Frosh/Soph. Each team played a complete twenty match schedule and all experienced significant improvement as the season progressed.

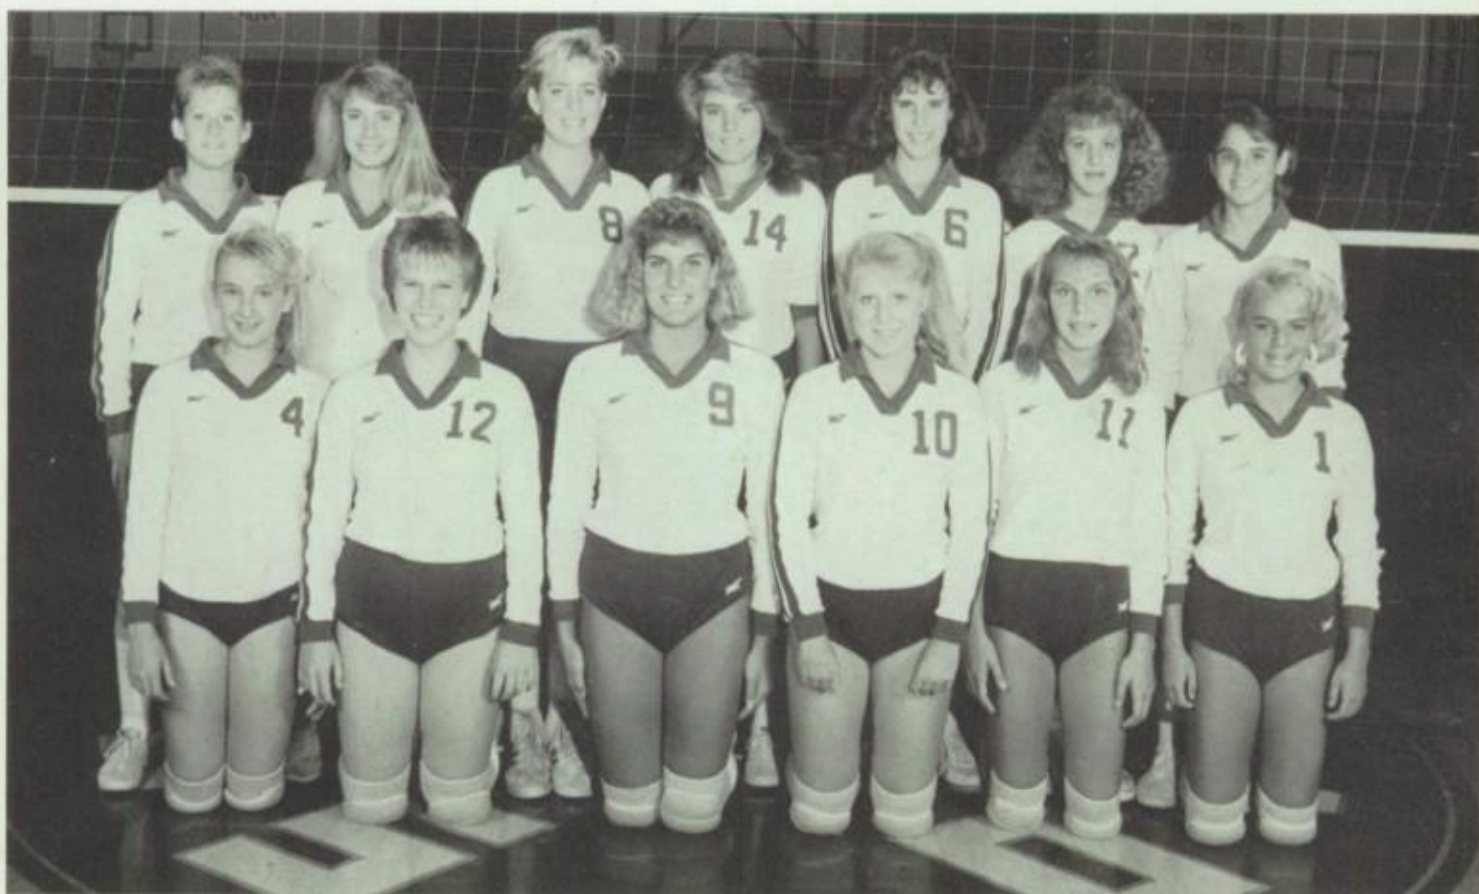

The Frosh/Soph team was lead by the setting of Tica Lopez; the hitting of Amy Browning; and the backcourt passing of Tricia Gocke. A JV team captained and set by Karen Jacobsen, significantly improved throughout the season. Marla Pickard, Laura Kirkendall, and Christi Campbell contributed at both the JV and Varsity level and should make impressive contributions to the Varsity team in years to come.

Dalene Lawson led the Varsity team as its setter and captain while gaining All-Sunset-League recognition. Team mates Nancy Rich, and Gretchen Bock provided support as hitters and blockers, while Christa Lawson, Christina Graveline, and Gina Bowers provided the backcourt passing and defense in a successful Sunset League Campaign.

Frosh/Soph Volleyball '86

This was a year for all of us to remember. We began our learning process in August with the two week summer camp. Conditioning, sore muscles, pass, set, hit, block, right and left back, dive and roll; all those skills necessary to play the game.

The season begins with games and practices, team spirit, secret pals, wins and losses, smiles and frowns. League play brought us challenges, and we met them with confidence and improved skill. Tournaments helped us to realize our potential, and how good we really can be with dedication and hard work.

Our season was rewarding and enjoyable as we learned about volleyball and each other," says Coach Farr. I look forward to watching each of the team members grow in their volleyball potential, and contribute their efforts to the OVHS Volleyball Program.

The Seahawk Cross-Country teams had an outstanding season this year. The varsity had its best season in the schools' history. The girls had a perfect season finishing the league with a perfect 5-0 mark. This was the first time for OV to capture the Sunset League Crown. Many other outstanding performances culminated a fantastic season. The girls captures the O.C. Championship and were ranked #1 in the county and finished high in the C.I.F. finals at Mt. Sac. Outstanding senior runners included Kathy Karpel, Shannon Karpel and Akemi Royer. Sophomore Debbie O'Brien and freshman Andrea Calderon, Denise Condit and Susie Goodhart rounded out the top 7. The JV team had a promising season with freshman Jean Morgan and Lori Bowen running very strong toe the Seahawks. Senior, Chrissy Cullen had a great season adding needed depth. The JV team finished the season in fourth place.

THE DISTANCE

The Cross-Country of 1986 was small but showed persistence and promise for the coming years. The varsity, lead by senior Haissam Sabra, finished the season with a 1 and 4 record. Haissam was undefeated in league meets and was highly rated in Orange County. Sophomore Danny Kutsch was consistently placing high and finished the season with a tremendous fifth place in the league meet final. He will be a major force in the next two years. Joshua Smith, Ernesto Sanchez and Brant Hippard rounded out the varsity team with their consistent placing. Brant new to running showed dramatic improvements throughout the season. The freshman team showed improvement through the year and was lead by Shaine Crosby and Cory Ames. While recording 1 and 4 season, the team showed enthusiasm and promise for the coming years. Completing the team and adding support were Doug and Darren Orr, Peter Park, Peter Ha, Jason Schlyer and Dennis Bolton.

The Ocean View Surf Team started off strong in the 1986 season with a convincing win over Westminster and an upset victory over Edison. However, the team finished fifth in league with a 2-3 record after a disappointing one point loss to Fountain Valley. In non-league competitions, OV compiled a 6-1 record. The top competition squad also took first place in their division in the Ventura NSSA Team Season contest.

A good omen for next year is the youth of the team. Of the team's top ten surfers, nine are underclassmen. Paced by Captain and top surfer Erik Bruner, other standouts include freshman Gabe Palmer, and Sophomores Matty Ryan, Mike Gomez, Jay Parco, Shawn Craddick, and Robby Haugen. In the Kneeboarding division Eric Huseman, and Phil West dominated almost every contest.

In the girls' competition, Chrissy Cullen was outstanding for Ocean View, closely followed by Gina Bowers.

The Sunset League added bodyboarding as a new division this year. Tops for OV in this area are Bundit Boonchereon and Jeremy Sandoval, both freshmen.

With such a strong young team, Ocean View hopes to be in contention for the Sunset League top spot next year.

Pride, strength, endurance, and commitment. These are just a few of the qualities that the '86-'87 water polo teams possessed. They were a young team and worked hard, yet the scoreboard did not always show their dedication. Most of all, it was a great experience and a lot of fun!

All three teams did very well this year and they deserve a lot of credit. The freshman team looked the strongest with MVP Dan Besse, and a 3-2 league record where the 2 losses were both by one goal in the last minute of the game. The JV team finished 2-3 in league with MVP Kevin Burgess. Varsity showed teamwork and strength with MVP Brian Biss. The 1986/87 Seahawk Varsity Basketball Team maintained it's annual impressive showing by continuing in it's traditional winning ways. Opening the season the "HAWKS of Huntington Beach" successfully defended it's Championship of the San Luis Obispo Tournament and rolled on to a 2nd Place Finish in the Tournament of Champions. After a very uncharacteristic midseason slump our team staged a tremendous rally behind the best fans in the sunset league and won the last 6 league games by substantial margins averaging almost 80 pts. per. game. Only great character, enthusiasm and team unity could dominate the court as the Seahawks did during the stretch drive highlighted by a convincing 89-68 victory over Marina. Finishing the year 18-7 and a C.I.F. Quarter Finalist again placed Ocean View among the elite of Southern California prep power at the core of this success has always been tough defense and the hardest working, most committed players of any program in Southern Calif. This year's Ocean View Junior Varsity Team faced one of the toughest J.V. schedules of all time. Playing the best J.V. teams brought out our best and we finished with a record of 17-6.

The season brought many bright moments for the O.V. Junior Varsity including going 4-1 in our own tournament. Big wins over previously undefeated teams such as Lakewood, L. B. Millikans, and Compton showed we could play with the best.

We had one of the youngest J.V. teams ever at O.V. with 4 sophomores and 1 freshman. Our leadership was provided by juniors Craig Rice and Jerry Sterling, with freshman Greg Evans showing he could play and play well on the junior varsity level.

Rice and Evans both earned 1st Team All-League honors with Sterling and sophomore Ted Pelonis earning 2nd Team honors.

DUNK

The sophomore team began the year with a lot of hope and enthusiasm, but the journey through the season became rough and rocky. This team was struck with many injuries and illnesses. Despite these obstacles, this team continued to battle many tough opponents throughout the season. They say: Things turn out for the best for those who make the best of the way things turn out, and I think this can be said for this group of young men. As they look forward to their future as part of the Seahawk basketball program, I am sure they will continue to show much enthusiasm and excitement.

FOR TWO

The 1986-87 Freshman Gold basketball season was exciting. We finished the season with a record of 11-14, including a 10-8 record against freshman reserve teams. Many of our games came down to the final minutes to decide an outcome. Even though we were on a losing end of most of the close games, the team continually learned from their experiences. We were led by strong inside performances by Lee Quinn, Tom Moeller, and Andy Hutton. Chris Garbe and Darrin Upstill provided excitement every minute as they fired up shots from the outside. Immense improvement was seen throughout the year by the entire team, but improvement among individual talents excelled. The basketball future looks bright for these fine young men. Coach Adnoms

STRIVING FOR THE BEST

VARSITY BASKETBALL

This year's Varsity had a very different style of play using pressure defense and an outside scoring attack. The attributes of the Varsity are; good shooting, good ballhandling, intense on defense, and the ability to play very smart basketball.

Dalene Lawson will lead the way for the team. She has the shooting and driving ability to be one of the county top scorers. Dalene is also a very strong rebounder along with being able to play very good defense.

Christa Lawson will give the team ballhandling and long range shooting needs. She is probably the best defensive player and has shown definite leadership ability.

Cynthia Hurzler is a terrific shooter and will probably finish high in scoring. Cynthia is also the best rebounder which is critical to the team's success.

The fourth starter is Erika Whistler. This junior plays great defense and hustles all the time.

The fifth spot has been revolving around four players. We have used two different posts with sophomore Erin Linder and junior Koreen Crain. We have also gone with a shorter team including Jenny Albright and Lisa Smith. All these four have benefited us in different areas.

This year's Varsity team was very successful.

The 1986-87 girls' tennis team, although not entirely successful, showed a lot of spirit, pride, and dedication. Individual goals were met during the season, as the Sunset League is always competitive. The team consisted mainly of underclassmen, and the girls learned a lot about the game of tennis. Most of all, they had fun!

DRIVING FORCE!!

The 1987 'Driving Force' will continue to be contenders for the Sunset Leagues' top berth. "After capturing the league championship in 1986 all the other schools want to defeat the Seahawks" says coach Ellerman, who has coached the force for the past five seasons. The team is very proud of the new Sunset League banner which resides in the gym; the first for O.V. Golf.

"Our returning lettermen, Travis Smith, Mike Holmes, and Vivian Overturf were strong factors in gaining last year's title and are back, ready to do it again," says Ellerman.

Joining the Varsity roster this year are Doug Enroth, Jason Shirley, Jim Daniel, Steve Stratton, Brett Stern, and Jason Barr. With 2 to 4 years of dedication and determination these golfers have become valuable assets to the Seahawk squad.

After 2 weeks of extensive tryouts the following players joined the 'Driving Force' Christina Ohshima, Jennifer Schweisinger, Tawania Vinland, Don Smith, Mike Warden, Rye LaPierre, Eric Wilke, James Johnson, and Jeff Daniel. These J.V. players will get their share at practice matches while preparing for Varsity competition next year.

The posters are down, the ballots are counted, and the winners of OV's fall election have been announced. As the class officers were elected last spring, the campaigning students were freshmen and sophomores. For the freshmen class, the new officers are: Paul Takado, President; Allison Browning, Vice-President; Tricia Goeke, Secretary; and the student senate, which consists of five representatives per class, will serve as the liaison between the class and its officers, present concerns made known by the student body, and inform the executive body of all major decisions. The winners are: Tammy Daves, Karen Gallon, and Andy K.

This year the OV Ski Club was 110 members strong. 35 ski club members participated in the Winter trip to Utah. They enjoyed four days of skiing Alta, Brighton, Park West, and Snowbird. Room 1118 and 1422 were looking good in their goggles! Nice jump, Todd. Maybe next time you should ski with the Cliff Jumpers, Santos, Mertz, and Cupp. This wasn't a great season for snow so the club cancelled its trip to Mammoth. Despite the poor snow, it was the best Ski Club ever! Thanks officers, we love you!

MUN

Model United Nations is a program in which students experience the working of the United Nations on a smaller scale. High schools and colleges create committees very similar to those in the actual U.N., with similar topics, and students from different schools representing countries. Delegations of students from Ocean View participated in conferences such as Edison, Claremont, Mission Viejo, Riverside, Harvard, Fresno, and Berkley. Preparation for these conferences is vital. It is important for each student to be familiar with the topics under discussion and their country's viewpoint, for quality debate. Awards are given to those who are the most active speakers and writers.

Ocean View also has its very own Model U.N. conference; this year's 7th annual was held at the Inn at the Park Hotel. Ocean View students acted as chairmen, vice-chairmen, legal officers, and pages. In charge of the seventh annual conference were Secretary-General John Money, Under Secretary-General Brandy Pickering, and Illustrious Advisor Herman Harvill. Many hours of dedication by all MUN students made the conference a success, and earned the Ocean View Conference the reputation of excellence.

The Keywanette club is a service organization for girls, grades 9, 10, 11, and 12. Sponsored by the Kiwanis club of Huntington Beach an international organization for businessmen, Keywanettes is the largest and most charitable club at Ocean View. Not only do the members provide services to the high school, such as ushering at school programs, but they also provide services to the local community by doing hobs for needy senior citizens, sponsoring blood drives, collecting canned food at Thanksgiving, and collecting toys for needy children at Christmas.

This year the French Club has experienced The Impressionist Movement of France (The Mid-19th century) at the Norton Simon Museum. Not only that, but we got to be yuppies for one day, eating at Pirets! We also became French Film buffs!

The Key Club consists of President — John Cox, Vice-Pres. — David Jessup, Secretary — Peter Overhue, and the Treasurer — Eric Schiffer.

4x4 AND OFF ROAD CLUB

What's this? Yes, a new club at O.V.! It's the 4x4 and Off Road Club, and O.V. is the first school in the district to have such a group. Founded by President Allan Horner and supported by Advisor Chuck Jenson, this club stresses safety of off road traveling. They also fix their trucks, and motorcycles to top condition for whenever their off-roading with their friends.

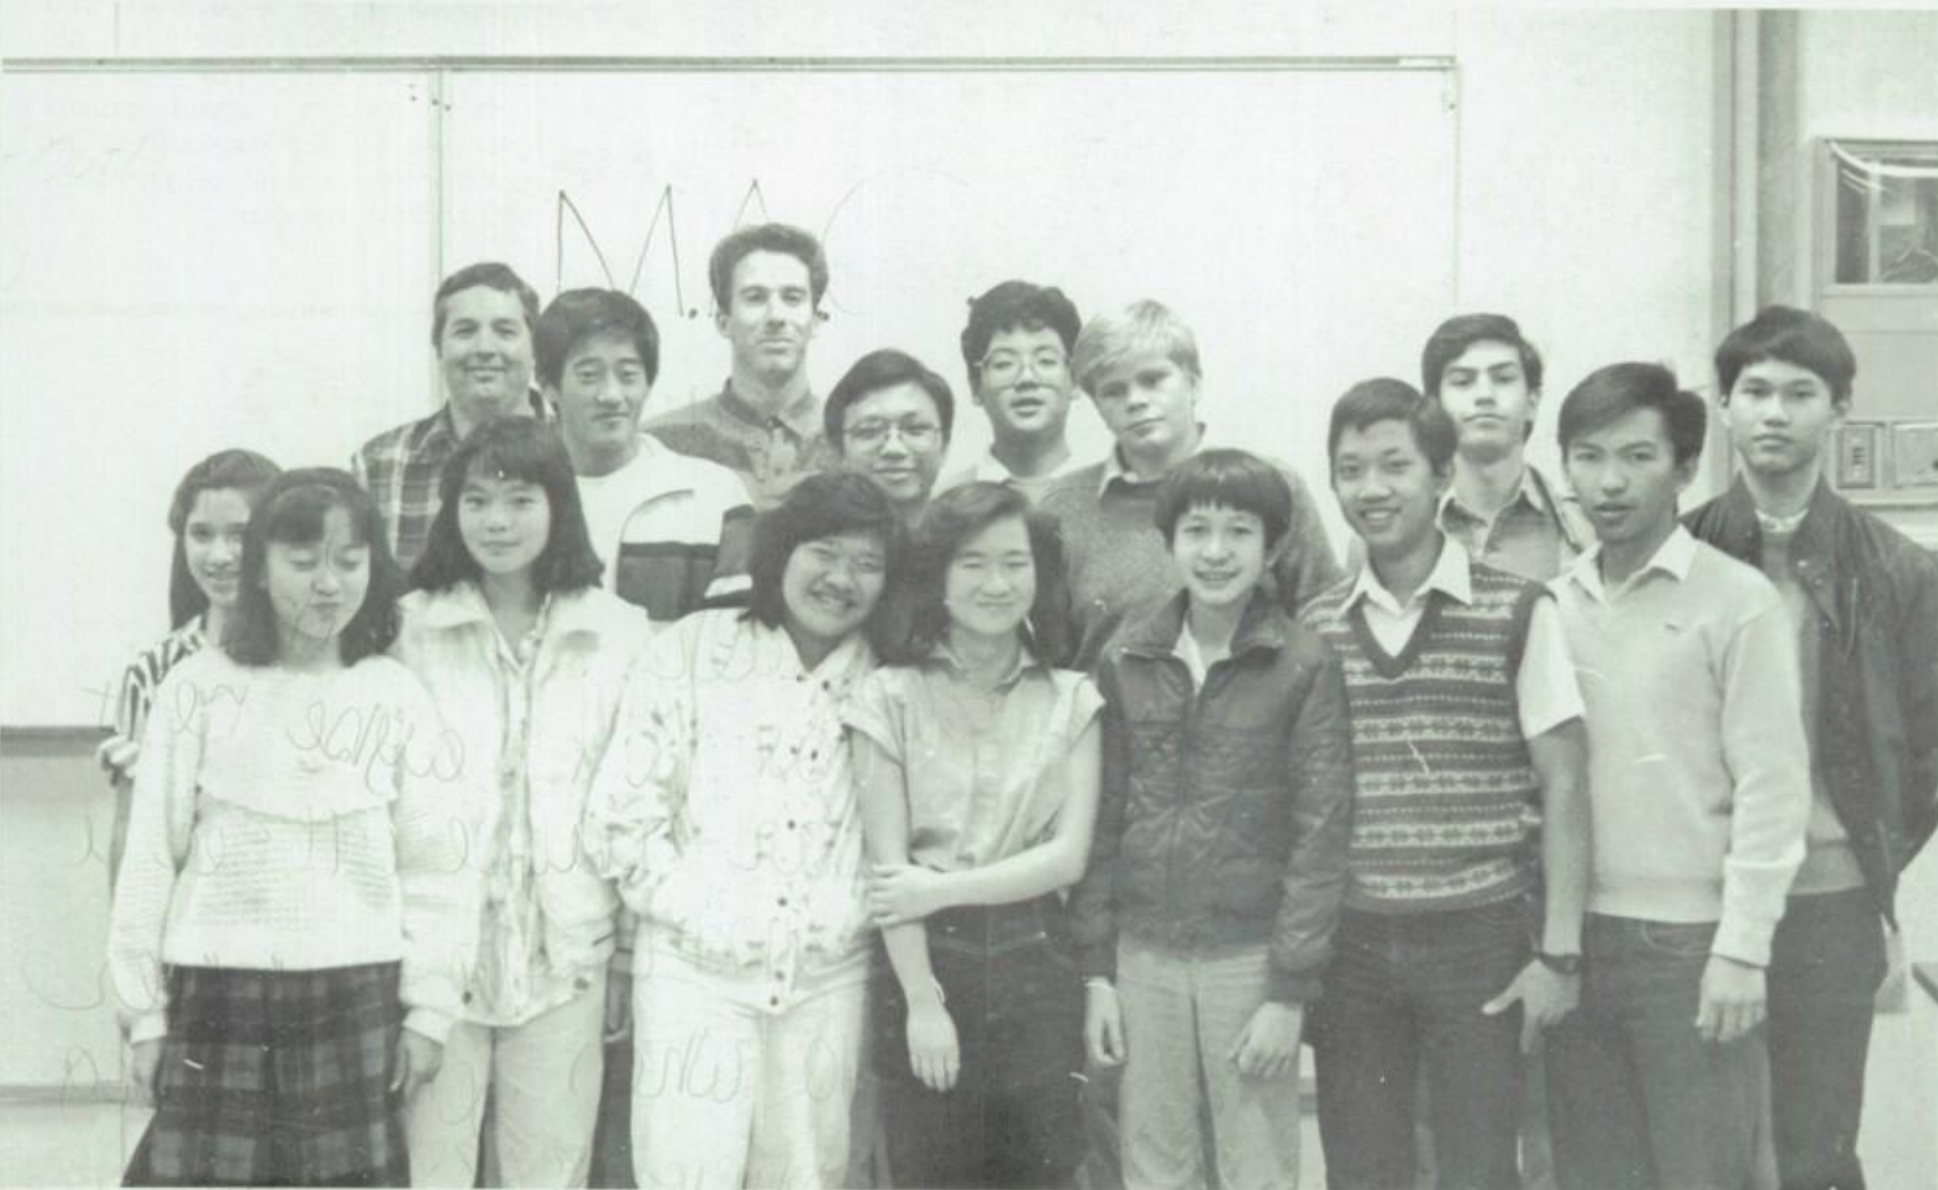

1. President and founder of the 4x4 club, Allan Horner (Big Al) and his B-52 Cherokee ready for take off.
2. Kelly Levine (Herbert) goes for an aerial.
3. Jimmy tries to imitate E. T.
4. Club advisor Chuck Jenson.

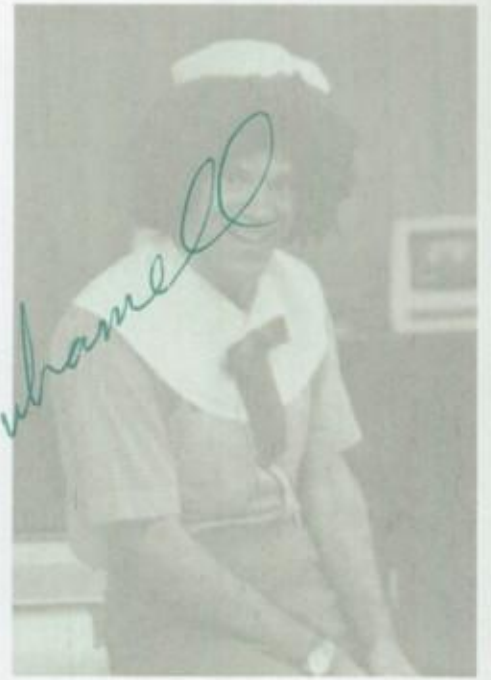

This year's Math and Computer Club has proved to be a tremendous success since the decision of a team-up between the Math Club and the Computer Club. Under the planning of George Lin and Darren Cohen, the club was successfully formed with the advisors, Mr. Rice and Mr. Shucker and special help from last years Math Club advisor, Mrs. Brouhle. The MAC Club is an organization designed for students to experience the hi-tech industry in our environment and to serve as an aid for college entrance exams, particularly for the SAT. The club kicked off with several fund raisers organized by the co-presidents to finance for the numerous activities planned including obtaining an SAT program and taking trips to L.A. Museum of Science and Industry, Griffiths Observatory, and a trip to Disneyland at the end of the year. With the cooperation of all members of the club, the Math, and Computer Club is growing to be one of the finer clubs on campus.

Co-Pres. — George Lin, Darren Cohen, Co-Vice-Pres. — Ki Sang Yi, Secretary — Khai Vu, Treasurer — Luudzahn Nguyen. All Members — Founng Bang, Tom Carroll, Luke Chen, Darren Cohen, Doan Cindy, Andrea Fogarty, Tien Hoag, Brian Hyatt, Ellen Lin, George Lin, Anatheia Lopez, Jennifer Malloy, Luudzahn Nguyen, Khanh Pham, Mai Pham, Minh Phan, John Sendrey, Eric Stopher, Vien Thoi, Hoa Tran, Pang Vang, Khai Vu, Ki Sang Yi, Advisors — Mr. Rice, Mr. Shucker.

John Myers
Principal, Ocean View High

Each year new challenges face our educational system. Developing well-educated young adults who are ready for "the world" after graduation is the challenge that must be met. In order to do this, education is strengthening the basics. Colleges expect students to arrive equipped to learn — it is up to us to equip them. Employers ask for those with strong basic knowledge and the right attitude to work.

At Ocean View High School, it is agreed that high-quality basic education is essential if the next generation of adults is to compete effectively in the fast changing, highly sophisticated marketplace and world community. Ocean View intends to continue to "move forward with the basics." Though at times this goal seems exceptionally difficult, the outcome is also exceptionally worthwhile.

To the class of 87, I would like to extend my best wishes for an exciting and fulfilling future.

Jason Gooding: Beloved son, brother and friend, Congratulations and Best Wishes, enough to circle the entire globe!!!

There aren't sufficient words to express how much we love you, how very proud of you we are. The joy you've brought us every day of your life cannot be measured. You are a gold mine of treasures and unspeakable riches to us all.

Jason, you are a fantastic person with exemplary standards. Your success in academics is a gift you've given to us all. Your commitment to family and friends and as a member of the Seahawk football team leaves us in awe, but not surprised, because this is just a small portion of who Jason Gooding is.

As you reach out to take one of life's many gigantic steps, remember, trust the marvelous person you've grown to be . . . Set your goals high and follow your dreams. You're a winner because you have learned how to turn losses into gain . . . NEVER QUIT!

You are a gift to the universe. Wherever you go, whatever you do, the world will be a better place because you were here! Lives will be brightened by your touch, Our's are daily!!!

Jason, happiness, joy and an abundance of success are yours!! You are at the threshold! Go, now, claim everything life has to offer you. It is yours entirely!! Make your mark on this world . . . We know you will!!!

We love you! Dad, Mom, Shelli, Joel and Cherith

Poems, and a
message from Mary's
journal

IN MEMORY OF MARY MALONEY

Summer's Day
As she passed away
Birds were singing
In the summer sky
Then came the rain
And once again
A tear fell
From her mother's eye

Things I like . . .

I like the beach when it's sunny
and guys, especially when they're funny
I like it when flowers bloom everywhere
and I love my family because they care
I like my room since it is pink
and I like reading cause it makes you think
and I like cats, cause they're soft and friendly
and convertible Ghias because they're windy

I have learned from the mistakes of others around me that you must step into the future and what it holds for you. You cannot go halfway — you are only cheating yourself. Go full force into the future — your whole self. What is to be done will. It's scary yes — but go with your inner feelings because they come from you and no one else. You have to live with them. You are in this world and on this earth alone. Completely. When it comes down to it, you are unmistakably one. You can trust only yourself. You have to grow up fast and sometimes take that road you never even imagined existed. Your fairy-like dream world may not exist and never may. But you hang on tight to yourself and you walk down that road with your head up high to meet those new people and see those new things and never ever regret it! You can do it. March down that way that was intended for you and live that life that was meant for you, and only you.

Congratulations to the graduating class of 1987. We wish you the best!
John and Sandy Maloney — Dave & Diane.
